# ACTIVITY REPORT

**Activity Name:** Environment Care Drive (एक पौधा - एक संकल्प)

**Location:** St. Montessori School, Mirzapur, Begusarai, Bihar

**Date:** 05 February 2026

**Organized by:** Veyonicrise Social Foundation (VRSF)

## About the Organization

Veyonicrise Social Foundation was established on 7 November 2025 with the objective of holistic social development.

The foundation is committed to working in the following key areas:

- Social awareness
- Health & sanitation
- Environmental protection
- Child education & safety
- Skill development for rural youth
- Financial literacy & support

## Objectives of the Program

- To spread awareness about environmental protection
- To instill love and responsibility towards nature
- To promote community participation for environment

## Program Description

As part of its core objective of Environment Care Drive, Veyonicrise Social Foundation launched the campaign “एक पौधा - एक संकल्प.”

Under this initiative, a plantation and awareness program was organized at St. Montessori Public School, Mirzapur. The activity involved young students, who were educated about the importance of protecting the environment. Each child planted a sapling and took a pledge to nurture and care for it.

Guests were welcomed by presenting saplings and shawls, followed by a collective plantation drive within the school premises.

## Dignitaries & Participants

- Mustafa Kamal – Founder & Director, VRSF
- Mohammad Sarfaraz Alam – Joint Secretary & Chairman
- Dr. Inzamam – Co-Founder
- Noor Alam – Media & Communication Head
- Sanjay Sir – School Director
- Manoj Das – Social Worker
- Parents, local residents, and school students

## Key Messages

**Mustafa Kamal:** Emphasized that environmental awareness must begin in childhood so that children grow into responsible citizens.

**Md Sarfaraz Alam:** Compared nurturing plants to raising children – proper care leads to a healthy and life-sustaining environment.

**Dr. Inzamam Uddin:** Protecting nature today ensures a healthier tomorrow.

**School Director:** Encouraged students to love nature and actively participate in protecting the environment.

## Impact of the Program

- ✓ Increased environmental awareness among students
- ✓ Promotion of greenery within the school campus
- ✓ Strengthened community participation
- ✓ Collective pledge for nature conservation

## Evidence & Media Coverage

- Plantation photographs
- Digital media coverage
- Social media posts

## Conclusion

The “Ek Paudha – Ek Sankalp” campaign marks the first significant step of Veyonicrise Social Foundation toward its social commitment.

The program successfully raised awareness about environmental protection and inspired children and community members to contribute toward preserving nature.

The foundation remains committed to organizing such initiatives for sustainable social development in the future.
